

## Ph.D. Paper Review Exam Form (new Ph.D. students admitted in Fall 2004 or later)

<b>Student Name:</b>	<b>Student Number:</b>
<b>First semester in Ph.D. program:</b> Fall    Spring <b>Year:</b>	<b>M.S. in CS/CE/CSE:</b> Yes    No
<b>Previous examination date if second attempt:</b>	

Students entering the Ph.D. program with an M.S. degree in Computer Science, Computer Engineering, or Computer Science and Engineering must take the exam at the end of their 1<sup>st</sup> semester; all other students must take the exam at or before the end of their 3<sup>rd</sup> semester. Students failing the exam **MUST** retake the exam at its next offering. The Ph.D. Exam will be scheduled approximately 3 weeks after the last day of finals of each semester; for fall semesters, this will be prior to the start of the spring semester (third week of January), and for spring semesters, this will be near the end of the spring semester (second week of May). **Fall Ph.D. admittees are strongly encouraged to take the exam in January (after their first semester), but may request a one semester deferral.**
