Adjunct Faculty

School of Computing, College of Engineering

The UConn School of Computing (https://www.cse.uconn.edu/) seeks academically and professionally qualified instructors to serve as adjunct faculty in a variety of undergraduate and graduate level courses. Adjunct faculty typically teach one or two courses per semester and are paid by the course. Courses available for Fall 2024 are:

Undergraduate Courses

- CSE 2500 Introduction to Discrete Systems
- CSE 3000 Contemporary Issues in Computer Science and Engineering
- CSE 3100 Systems Programming
- CSE 3666 Introduction to Computer Architecture

Undergraduate course descriptions are available at https://catalog.uconn.edu/undergraduate/courses/cse/

MINIMUM QUALIFICATIONS

- MS Degree in Computer Science or related field and relevant industry or research experience related to the course content.
- Strong interpersonal, oral, and written communication skills.

PREFERRED QUALIFICATIONS

- PhD in Computer Science or related field and previous teaching experience of relevant courses at an ABET accredited institution.
- For graduate courses: experience developing and teaching graduate level courses online.

APPOINTMENT TERMS

This is a temporary position for a period of one semester, Fall 2024, with the possibility of extension dependent upon program needs and available funding. Courses are taught in person at the UConn Storrs campus or online. Compensation for these positions is subject to the AAUP contract, for current stipends see https://hr.uconn.edu/special-payroll-info/#collapsepanel-49005-0-1-11. Preference will be given to qualified local CT applicants.

TO APPLY
Please submit a **letter of application**, **resume**, and the names and contact information of **three professional references** to the School of Computing ([engr-csoffice@uconn.edu](mailto:engr-csoffice@uconn.edu)). Review of applications will begin immediately and continue until the positions are filled. Employment of the successful candidate is contingent upon the successful completion of a pre-employment criminal background check.

All employees are subject to adherence to the State Code of Ethics which may be found at [http://www.ct.gov/ethics/site/default.asp](http://www.ct.gov/ethics/site/default.asp).

*All members of the University of Connecticut are expected to exhibit appreciation of, and contribute to, an inclusive, respectful, and diverse environment for the University community.*

*The University of Connecticut aspires to create a community built on collaboration and belonging and has actively sought to create an inclusive culture within the workforce. The success of the University is dependent on the willingness of our diverse employee and student populations to share their rich perspectives and backgrounds in a respectful manner. This makes it essential for each member of our community to feel secure and welcomed and to thoroughly understand and believe that their ideas are respected by all. We strongly respect each individual employee’s unique experiences and perspectives and encourage all members of the community to do the same. All applicants will receive consideration for employment without regard to race, color, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, disability, age, or veteran status.*

*The University of Connecticut is an AA/EEO Employer.*
